## **TREALES CHURCH GRAVEYARD CHANGES TO THE ASHES AREA**

You may recall a notice in the Parish Press last year regarding some changes proposed to the newer area for ashes in the graveyard.

A low wall, one stone high (approximately 25cm), is to be placed in front of the ashes memorial stones. This will mean that the memorial stones can then be placed higher and so will better match the adjacent older area for ashes. It should also reduce the extent to which leaves gather on the graves after windy weather. The existing graves will not be disturbed.

**We have now received Diocesan approval for the work which it is anticipated will take place during June. There shouldn't be much disruption in the area but please take care where there are materials stacked and if any work is underway.**

Contact the churchwardens if you need any further information.

## Willow class learning

In Willow class (year 3 and 4), we have been doing some fantastic learning. In maths, we learned about money and what change we get when we buy something. In science, we learned about electricity and circuits. Did you know a non metal material which can conduct electricity is graphite in a pencil? In French we have learned about food and animals. Je voudrais une glace s'il vous plait! (I would like an ice cream please). In DT, we have planned and are going to be making propeller vehicles. It will be so much fun!

AFC Fylde came into our class to show us their competition trophy. We were very impressed. We have been enjoying playing rounders and cricket with AFC Fylde and rugby with Fylde Rugby Community.

Preston Muslim Girls' High School came to visit us and talk to us about their Islamic Faith. We found it very interesting. We have also enjoyed a visit from a Jewish lady who talked to us about Judaism and some of the traditions she practises.

In R.E, we have enjoyed learning about the life of Moses and the Ten Commandments. We discussed these a lot. We also talked about the commandment Jesus taught us "Love one another just as I have loved you" John 13:34. In Willow class, we have been thinking carefully about how we can do this and what we can do to show love such as sharing and being kind to our friends.

## Coronation picnic

A big thank you to everyone who contributed or attended the Coronation Picnic. Especial thanks go to Jane, Cheryl and Mhairi for their hard work in making it such a success.

The picnic site was set up with the tents, red, white and blue bunting, and beautiful flower arrangements on the tables, it looked really good. There were children's entertainments, face painting and an award ceremony. It all went very well and was very enjoyable.

## **APCM - Annual Parochial Church Meeting 2023**

We held our annual meeting in church on Sunday the 23<sup>rd</sup> of April after the morning service.

Pat and Janet were re-elected for another year as churchwardens. Our churchwardens are especially important during this time of interregnum with no vicar. They work very hard and we thank them sincerely for this and for all the support they give in the Parish.

PCC membership remains the same except for Marshall Towers who has stood down from the formal PCC role of assistant churchwarden. We thank him for all the things he has done as a churchwarden for many years in the past and more recently as assistant churchwarden keeping a close watch on the building and church grounds. He assures us that he will continue to keep involved on these matters but will spend less time climbing ladders and roofs!

The full minutes of the meeting, the revised church electoral roll and the finance report are all displayed on the notice board at the back of church for anyone wanting more detail.

## LETTER FOR JUNE 2023

Dear All,

I am writing this on a very warm spring day. The birds are nesting, the blossom is beautiful and the sun is shining. Praise be to our Creator God.

We are coming to the end of the Easter Season - the most important season in the Church's calendar which is at the centre of the Christian Gospel.

We have celebrated Christ crucified – His Cross by which every member of the human race can enter into the life of God. St Paul says: 'Christ crucified, the power of God,' as this is the victory over everything that separates us from God and His eternal, faithful Love.

From Easter Day we are celebrating His Resurrection knowing that Christ lives among us.

We celebrate His Ascension by which our Lord entered heaven and keeps the door open so that anyone can have freedom of access to the very throne of God. And because He ascended as Son of God and Son of Man, Jesus is the bridge between heaven and earth.

He opened the gate of glory so that all may go in.

We celebrate Pentecost on 28<sup>th</sup> May when the Holy Spirit was poured out on His disciples with tongues of fire, so that they would witness to the truth that Christ truly is the Son of God and our way back to the Father. The Holy Spirit continues to fill His followers today so with the Spirit of Christ living with us and in us so we too can be His witnesses.

This is the truth of Easter which the Church celebrates.

Trinity Sunday is on June 4<sup>th</sup>. In this Sunday service we worship Father, Son and Holy Spirit. The Father who gave us His Son in love, the Son who died in love for His people and the Holy Spirit who is the Spirit of love.

Please come and join us for these wonderful celebrations.

Saturday, June 10<sup>th</sup> is Kirkham Club Day.

We join the staff, parents and children of the school and members of the Church as we walk in procession with the other churches of the Deanery. Thank you to Mrs Hill for organizing our club day procession. She will inform the details of where we will be meeting etc.

On July 8<sup>th</sup> we are having our annual Strawberry Tea in aid of Church Funds. It is always a very enjoyable event. Everyone is welcome. Please put the date in your diary.

Our thanks continue to Canon Godfrey and Revd Anne Beverley for the services they take and for all their help and assistance.

If anyone wishes to arrange a Baptism, Wedding etc., please contact the churchwardens: Pat on 690545 or me on 690023.

Thank you to everyone for all the continued support.

Love and Prayers,

Janet Roberts (Reader)

## PARISH COUNCIL NEWS

Summer is here and the sun is out, don't forget that factor 50 suncream!! as you enjoy the glorious weather.

### Photo Competition

Thankyou for those who have entered the Photo Competition to seek images capturing the signs of spring across the parishes. Photographs of the Parish and bulbs/spring plants were anonymised and judged at the May meeting. And the successful winner is ... Lauren Paterson who will receive a £20.00 garden centre voucher.

Lauren's winning photograph of bluebells at Treales Church can be seen in full color at the Parish Council website :<https://trw-parishcouncil.org.uk/>

### Open Spaces

The Council appreciates the feedback they have had so far and continues to look forward, asking parishioners on their thoughts with regards to the changes we are making. Should any parishioner wish to be involved and have questions or thoughts on the open space plan we would be very grateful to hear from you.

### Gardening Club

If any parishioner would like to join the gardening/landscaping club that will assist the Parish Council in ensuring our ambitions to deliver a fiscally responsible plan that continues to enhance the natural beauty of our area whilst promoting a sustainable environment for our local fauna and flora, please contact us via the Parish Clerk using the details on the contact page. The Council envisage this to be a community run project and is for

everyone so if you are interested, even with just offering a little bit of time for volunteering, please get in touch.

## **Parish Field**

The Parish Council have been out and about to look at the Parish field and how we can invest in it for the whole of the community. New signage will be going up to remind people that access should be made by the public right of ways and that, as the field is regularly used by Treales school, dog walkers do keep their dogs on leads and continue to use the provided dog poo bins as the majority clearly do.

If any parishioners or local groups that use the field would like to contact the Council with suggestions for improvements that can be made to it to enhance its usefulness to the community, please do so.

## **Elections**

In the recent elections all six Parish Councillors pre election were nominated and as no further candidates stood forward the election was uncontested. Therefore the Parish Councillors remain:

Jane Barnes,  
Anne Broughton

Will Salisbury,  
Gordon Smith

Elizabeth Pickervance,  
Ian Millichamp.

As is the Council's standard approach, at the May AGM meeting Ian Millichamp stood down as Chairman and the Council would like to congratulate Jane Barnes on taking over as Chairman Treales Roseacre Wharles Parish Council and Will Salisbury as Deputy Chairman.

## **Coronation**

The Parish Council would like to thank the work of Jane Barnes, Mhairi Mitchison, Cheryl Gilbertson of the Parish Council and Treales Church who along with volunteers came together to put on a fantastic day of celebration for the coronation of King Charles III.

**The next Parish Council Meeting is on  
Monday 5 June 7pm at the Boys Brigade**
