Donations for church funds

Whilst we have a collection plate at the back of church, we also now have a new facility to accept donations directly from your mobile phone.

Just scan in this QR code and follow the instructions according to your phone payment methods.

Thank you for your support.

Treales Church of England Primary School

Equipped by God, we are mighty

It has been a very busy start to our year here at Treales CE Primary School. Over the summer we had lots of work completed to make our school a calm, inviting place to learn. You can see a video showing some of our learning places on our Facebook page and website.

Back to school also meant new staff, children and families joining our Treales family as well as welcoming back familiar faces. We have really enjoyed getting to know everyone and settle into new classes and look forward to working together over the year.

Last week the children in Oak class (infants) thoroughly enjoyed two days working with Fylde Rangers. In the sessions they covered super survival, exciting ecology, cool conservation and wonderful woodlands. A highlight

of the sessions was having their very own mini fire on which they even got to roast marshmallows! The children all worked together to plant spring bulbs in our outdoor area. We look forward to seeing them bloom in a few months!

This week Willow and Elder class (juniors) are working with the Rangers, planting trees and exploring our woodland walks. On

Friday the whole school is visiting Fairhaven to complete our rangers training, looking at rivers, tides and beach habitats as well as lots of fun playing games and other outdoor learning.

We are looking forward to welcoming prospective parents and families as well as our wider community to come and tour school during our open days 1st-3rd November or drop us a line to visit at a different time.

HARVEST

11am, 8th October

Christ Church Treales

and led by Treales School

'Hotpot' lunch and sweets

Suggested donation £7, children under 12 free

Tins/gifts for Foodbank welcome

PETER NOAD

1965 - 2023

We do not expect to bury our children, but we are not alone in that respect. Peter's death was unexpected and sudden. On Thursday morning a normal phone call and all was well, then just after midnight a call from ICU that he had been admitted unconscious. We were by his side when he died from sepsis early Friday morning, just four days prior to his fifty-eighth birthday.

Christine and I thank so many friends of Peter and ours for their most kind condolences. The service of thanksgiving for Peter's life was an opportunity to celebrate him. We heard about parts of his social life that were happily new to us. To speak with his friends after the service was to realise how much they had enjoyed his friendship too.

Canon Godfrey led us through the service, in the way only he can, and afterwards, thanks to the ladies and men of the church, came an opportunity to recall so many events, some happy and some sad.

So, thank you to all – we shall miss him.

Chris and Christine

Annual Football Report

This year was not a good year in Division I. We had a very good team but so did everyone else. Division I is a very strong division. Every game was very even - we either won or lost by one goal. Unfortunately we lost more than we won. Due to the injured goal keeper and no substitute goal keeper we played outfield players in goals and lost too many games from winning positions. We were beating Broughton 2 0 then lost 3 2, then we were 3 1 up at Wrea Green and lost 4 3, and we were 3 1 up at Wyre Borough and drew 3 3. All games lost in the 10 minutes.

The winners are:

Division 1. Wrea Green.

Division 2 Myerscough.

Barron Cup Wyre Borough.

Ladies Division Penwortham.

A big thanks to all the players who work very hard in a very hard league.

David Pickervance

LETTER FOR OCTOBER 2023

Dear All,

'God saw all that He had made, and it was very good.'

Our God is the creator God. We look at the wonder of creation and marvel. And He is also the God who provides for His people, as the hymn says,

'Summer and Wintertime, Springtime and Harvest,
Great is Thy faithfulness Lord unto me.'

This, I believe, is the wonder of Christianity. I can look back to childhood and know the God who was always faithful in being present, in a tangible way, in the good times and the difficult times. But I confess I am not the best at saying 'Thank you' to God for His goodness.

8th October is our Harvest Festival where we sing the harvest hymn 'Come ye thankful people, come.' and thank God for His goodness. Thankful because we are free to come to Church and worship. Thankful for the gift of clean water, and all the food we need. And especially thankful for those who produce our food to the highest standard possible, come Summer and Wintertime, Springtime and Harvest. And thankful for the tradition of harvest thanksgiving which has been celebrated continuously from Old Testament all those centuries ago.

The schoolchildren are leading our worship this year, and we look forward to it.

But we also remember those who aren't so fortunate or struggling at the moment. And so we ask for gifts of tins, toiletries etc for the foodbank for those who are able.

Harvest is a thanksgiving service for God's wonderful gifts of food for us. If anyone has vegetables or produce which we can use for decoration in Church, they will be gratefully received. We are decorating the Church on Saturday the 7th October. We usually meet about 10am – everyone is welcome to come and help.

The Sunday Service is followed by the Harvest Lunch which is always a feast. This year the PCC have organized a 'hotpot' lunch with main, sweets and drinks. A vegetarian option will be available. A donation of £7 is suggested, while accompanied children under 12 are free. This is for church funds. It is always a celebration, so please come along and join us.

On the 29th October we have our Songs of Praise service where members of the congregation pick their favourite hymns. If you have a favourite and would like it picked, please let us know. It is a very enjoyable service.

Advanced notice - 12th November is Remembrance Sunday. We are holding our Remembrance Service when we remember those who have lost their lives in conflicts throughout the world in different wars. We then also remember our loved ones and light a candle in memory of them in a quiet, reflective service. This service always starts at 10.45am so that the 2 minutes silence falls on the hour.

The Diocese informs us that we will soon be able to announce the Priest for Treales Church. Until the appointment is made, we are very grateful to those who support us and lead our services.

If anyone wishes to arrange a Baptism, Wedding etc., please contact the churchwardens: Pat on 690545 or me on 690023.

Love and Prayers,
Janet Roberts (Licensed Lay Minister/Churchwarden)

Funeral

30 August

Peter Michael Noad

'I am the Resurrection and the Life' says the Lord. 'Those who believe in me, even though they die, will live, and everyone who lives and believes in me will never die.'
(John 11 25-26)

Advanced Notice

Remembrance Service

starts at 10.45am

12 November

PARISH COUNCIL SEPTEMBER 2023

LANCASHIRE COUNTY COUNCIL

Everyone is invited to take part in a survey to help shape future plans for cycling and walking in Lancashire.

Lancashire County Council, in partnership with Blackpool Council, want to join up the gaps in our existing network of footpaths and cycle routes and provide safer, direct and more convenient routes.

Following feedback from the initial public engagement last year, the councils have produced a draft network map of cycling and walking routes in Lancashire. They need people from all areas of the county to provide feedback on anything you think could be improved. The survey will be available on their website until 24 October 2023.

Additional design and feasibility work will be needed to take any of the proposed schemes forward. You can find out more and take part in the survey at www.lancashire.gov.uk/activetravel.

PUBLIC RIGHTS OF WAY FAULTS

Please report any problems via the Love Clean Streets app and website. You will need to register. A list of categories will appear for you to choose. Initially you will be unable to track the progress of your reports but that facility will hopefully be added soon.

SPEEDING VEHICLES

In order for LCC and the Police to consider our request for speed reduction measures we have to provide detailed evidence. It is vital therefore to report whatever you witness as follows:

- Speed concerns and general incidents of inconsiderate driving. Report online to Lancashire Road Safety Partnership on lancroadsafetypartnership.co.uk. Then report same incident as detailed below.
- General incidents of inconsiderate driving, near misses, mobile phone use etc. Report directly via phone to 101 or email Kirkham.NPT@lancashirepolice.uk giving details including date, time and location.
- Collisions, vehicles through hedges etc. Report via phone to 101 or via email to accident.clerks@lancashirepolice.uk Giving details including date , time and location.

FLOWER BULBS

We have just taken delivery of crocus, tulips and fritillaries which we are hoping will naturalise throughout the parish together with rockery daffodils for the flowerbeds. Any offer of help with planting will be very much appreciated. Please contact Jane Barnes if you are able to help. Thank you.

THE NEXT MEETING IS ON:

MONDAY 2nd OCTOBER 2023.

At The Boys' Brigade on Carr Lane at 7pm

All welcome.

Events in Blackpool

International Firework Competition

Three countries will participate in the Firework competition with the final being on Friday 20 October.

The stunning displays, which are set to music, will take place over the beach in front of The Blackpool Tower. All of them are free to access.

Lightpool Festival

Lightpool Festival 2023 is Blackpool's annual celebration of light! Enjoy free-to-see entertainment and a whole load of fun!

The Lightpool Festival runs over half-term, from October 20th to 28th.

Enjoy an amazing programme over 9 nights of light-base art installations, lasers, stunning live performances, family-friendly activities, and 3D projection shows.
